Stealth Trailers Notice:

Due to constant product improvements, and changes in specifications, component parts and standard/optional equipment, all Stealth Trailers products are subject to change without notice or obligation. Product photography or diagrams may show equipment that is optional. Stealth Trailers reserves the right to make changes in pricing and models and to discontinue models without notice or obligation. Components, parts or chassis may have been manufactured at times other than the model year indicated. All capacities are approximate and dimensions are nominal. All dry weights are based on standard models with basic features and do not include optional features or equipment. Various components and features may differ to conform to local codes. The individual manufacturers not Stealth Trailers warrant appliances and other components.

LIBERTY SE

The Liberty SE is anything but an entry-level cargo trailer. With its round roof and slightly rounded front-end, it's a classic package with the benefits of modern materials.

LIBERTY SE

|| *mustang* || SE

Some would call the Stealth Mustang an "entry-level" trailer because of its price. But we've value packed the Mustang with so many added standard features it makes this cargo series a top seller.

Compare the Stealth SE models with our competition feature-for-feature and you'll see that these two Stealth fighters look good, have rugged construction, and are backed by the industry leader—Stealth Trailers.
