Stealth Trailers Notice:

Due to constant product improvements, and changes in specifications, component parts and standard/optional equipment, all Stealth Trailers products are subject to change without notice or obligation. Product photography or diagrams may show equipment that is optional. Stealth Trailers reserves the right to make changes in pricing and models and to discontinue models without notice or obligation. Components, parts or chassis may have been manufactured at times other than the model year indicated. All capacities are approximate and dimensions are nominal. All dry weights are based on standard models with basic features and do not include optional features or equipment. Various components and features may differ to conform to local codes. The individual manufacturers not Stealth Trailers warrant appliances and other components.

PHANTOM I PHANTOM II

The Phantom series trailers are a superior quality, affordable, aluminum-framed open trailer for a variety of hauling. Whether it's a lawn tractor and you need an agile utility trailer, or you're headed out with an automobile or UTV, Stealth has been manufacturing better looking, more functional and longer lasting open (utility) trailers from the start.

PHANTOM I

The Phantom I series is designated as our open auto hauler line. Lengths available include 18, 20, and 22-foot models.

Tie-downs, side ramps, or flooring options are available to meet your needs. Trust your auto hauling to Stealth's reputation for quality.

*Shown with Phantom II Package

PHANTOM II

Great looks and function without the high price of some smaller all-aluminum open trailers is the signature of the Phantom II.

Phantom II models are designed for a variety of rugged hauling uses. Sturdy construction, lightweight and easy to tow, Stealth provides a 3-year warranty to keep you hauling with peace of mind.
